I'm still
(Still)
I'm still
(Still)
I'm still in love with you

I'm still
(Still)
I'm still
(Still)
I can't love someone new

No one can take your place
No one ever will
Oh my darling
I love you, love you still

And still
Still
I miss your magic touch

Still
Still
I need you oh so much

No one shared my?
No one ever will
Oh my darling
I love you, love you still
(I love you still)

Why did you have to go
And leave me
Come back my darling
And never leave me

Still
(Still)
Still
(Still)
My heart still aches for you

Still
(Still)
Still
(Still)
Until it breaks in two

No one can take your place
No one ever will
Oh my darling
I love you, love you still
(Love you still)
