Just running scared  
Each place we go  
So afraid  
That he might show  
Yeah, running scared  
What would I do  
If he came back  
And wanted you  
Just running scared  
Feeling low  
Running scared  
You loved him so  
Just running scared  
Afraid to lose  
If he came back  
Which one would you choose  
Then all at once  
He was standing there  
So sure of himself  
His head in the air  
My heart was breaking  
Which one would it be?  
You turned around and walked away with me
