Youve gotta have heart
All you really need is heart
When the odds are sayin
You'll never win
That's when the gring should start

Youve gotta have hope
Mustnt sit around and mope
Nothins half as bad as it may appear
Waitll next year and mope

When your luck is battin zero
Get your chin up off the floor
Mister you can be a hero
You can open any door
There's nothin to it but to do it

You gotta have heart
Miles and miles and miles of heart
Oh it's fine to be a genius of course
But keep that old horse before the cart
First youve gotta have heart

Youve gotta have heart
All you really need is heart
When the odds are sayin you'll never win
That's when the grin should start

Youve gotta have hope
Mustnt sit around and mope
Nothins half as bad as it may appear
Waitll next year and mope

When your luck is battin zero
Get your chin up off the floor
Mister you can be a hero
You can open any door
There's nothin to it but to do it

You gotta have heart
Miles and miles and miles of heart

Oh it's fine to be a genius of course
But keep that old horse before the cart
First youve gotta have heart
