I just don't know  
I just don't care  
I just don't see  
Me anywhere

Well, I'm nowhere now  
Since you and I ain't one

I just don't know  
I just can't win  
When you walked out  
My blues walked in

Well, I'm nowhere now  
Since you and I ain't one

Sunday might just  
As well be Monday  
Don't care if it's day or night  
Cause ever since you left  
Nothing's going right

I just don't know  
I just don't know  
So all alone  
Can't shake this woe

Well, I'm nowhere now  
Since you and I ain't one

Sunday might just  
As well be Monday  
Don't care if it's day or night  
Cause ever since you left  
Nothing's going right

I just don't know  
I just don't know  
So all alone  
Can't shake this woe

Well, I'm nowhere now  
Since you and I ain't one

You and I ain't one  
You and I ain't one  
You and I ain't one  
You and I ain't one
