"If You Can Dream"

(Dream, dream, dream)
(Dream, dream, dream)

(If you can dream)
(The world's a better place by far)
(If you can dream)
(You're anyone who you dream you are)

Day or night
You've the right
To pretend

Close your eyes
Be surprised
You're my friend

[CHORUS]
If you can dream
The love you seek is by your side
If you can dream
Each kiss will leave you starry-eyed

[VERSE 1]
Castles and kings
Are everyday things
There's no extreme
If you can dream
And just believe the things you dream

[Repeat CHORUS]

[Repeat VERSE 1]
