Mr. Sandman, bring me a dream
Make her complexion like peaches and cream
Give her two lips like roses and clover
Then tell me that my lonesome nights are over!

Sandman, I'm so alone
Don't have nobody to call my own
Please turn on your magic beam
Mr. Sandman, bring me a dream!

Mr. Sandman, bring me a dream
Make her the cutest that I've ever seen
Give her the word that I'm not a rover
Then tell her that my lonesome nights are over!

Sandman, I'm so alone
Don't have nobody to call my own

Please turn on your magic beam
Mr. Sandman, bring me a dream!

Mr. Sandman...

Mr. Sandman, won't you bless me with a dream?
Make her complexion just like peaches mixed with
cream
Give her two lips that look like roses and clover
Then tell me that my lonesome nights are over!

Sandman, I'm so alone
Don't have nobody to call my own
Please turn on your magic beam
Mr. Sandman, bring me a dream!

Mr. Sandman bring me
Please, please bring me
Mr. Sandman bring me a dream!
