"Put A Light In The Window"

There's a house on the corner
On the corner of the street
In the house, you're the pretty
You're the pretty little gal
Who'll make my life complete

(CHORUS)

Tonight, tonight
Put a light in the window
To prove that you love me
Let it shine
Tonight, tonight
Put a light in the window
Tonight's the night
I'm gonna make you mine

Gonna go tell your mother
Baby brother, father too
Let them know there's no other
No, there's not another one
Who'll love you like I do

(CHORUS)

Dum dum dum...
You pretty little gal
You're more than I deserve
Dum dum dum...
Gonna climb the stairs
Gonna ring the bell
Before I lose my nerve

I got a ring for your finger
Third finger of your hand
Put a light in the window
Cause tonight, you're gonna
Get a golden wedding band

(CHORUS)

Oh, tonight's the night

I'm gonna make you mine

Put a light in the window
And my pretty little gal
You'll make my life complete
