A man could build a city  
Write a book or sing a diddy  
I can mention quite a few  
? But...  
(He needs someone to love)

A man can be a tailor  
Or a soldier or a sailor  
He can even fly up in the skyway but...  
(He needs someone to love)

He could span the oceans  
Start a nation with a notion  
Like Columbus he'll discover something but...  
(He needs someone to love)  
(For if he's all alone)  
(What good are these wonderful things)  
(He needs someone to love)

A girl can take an empty room  
And she can make it very soon  
Into a new enchanted heaven but...  
(She needs someone to love)

She can be a herione  
And beat most any fellow  
In the way cook the finest dinner but...  
(She needs someone to love)

She can be the? string  
Change a beggar to a king  
Most anything a girl can manage but...  
(She needs someone to love)  
(For if she's all alone)  
(What good are these wonderful things)  
(She needs someone to love)

And just as long as time shall be  
You'll find that he will always need a she

Everybody everyday just longs to hear somebody say

I love you won't you please be mine alone  
(We need someone to love)  
(For if we're all alone)  
(What good are these wonderful things)  
(We need someone to love)

(So if you'll be my own)  
(We'll share all these wonderful things)  
(We'll have someone to love)  
(We'll have someone to love)
