Now there's ninety-nine
Kinds of candy bars
Heaven knows there
Must be a billion stars

Lots of candy bars
Bout a billion stars
But there's only one of you

There's an ample
Number of apple trees
Seven million fish
In the seven seas

Lots of apple trees
More than seven seas
But there's only one of you

So tell me that
You'll always care
And tell me your love
Is mine alone to share

If you leave me
I'll be a lonely one
Don't you know you're
My one and only one
And there's only one of you

There's a wide
Selection of magazines
And a zillion Brazilian
Coffee beans

Lots of magazines
Loads of coffee beans
But there's only one of you

So tell me that
You'll always care
And tell me your love

Is mine alone to share

If you leave me
I'll be a lonely one
Don't you know you're
My one and only one
And there's only one of you

Lots of apple trees
More than seven seas
But there's only one
There's only one of you
