Here comes that rainy day feeling again

And soon my tears they will be falling like rain

It always seems to be a Monday

Left over memories of Sunday always spent with you

Before the clouds appeared and took away my
sunshine

Here comes that rainy day feeling again

And I'll be dreaming of you Baby in vain

Your face is always on my mind girl

I hoping soon you're gonna find

Your way back tome

Cause if you say you'll stay

The rainy days will go away

Misty morning eyes

I'm trying to disguise the way I feel

But I just can't hide it

People seem to know

The loneliness will show

I'm thinking of my pride

But breaking up inside

Here comes that rainy day feeling again

And soon my tears they will be falling like rain

It always seems to be a Monday

Left over memories of Sunday always spent with you

Before the clouds appeared and took away my
sunshine

Here comes that rainy day feeling again

Here comes that rainy day feeling again

Here comes that rainy day feeling again
