When I see that girl go walking by
I know boys shouldn't cry
Here it comes again, that feeling
Here it comes again

When I see her look into his eyes
No matter how I try
Here it comes again, that feeling
Here it comes again

I find I'm cry-y-y-in' over you
I know it's not the thing to do-o-o-o-
Now I'm on my own, I walk alone
A heart without a home
Here it comes again, that feeling
Here it comes again

When love walked out a fire went out inside of me
They put it out, those tears inside of me

There is nothing left for me to say, Ahhhhh
(When you said we must part)
You know, you know, you know you broke my heart
Here it comes again, that feeling
Here it comes again

I find I'm cry-y-y-in' over you
I know it's not the thing to do-o-o-o-
Now I'm on my own, I walk alone
A heart without a home
Here it comes again, that feeling
Here it comes again
Here it comes again, that feeling
Here it comes again
Here it comes again, that feeling
Here it comes again
(Fadeout...)
