Adieu, Emile, my trusted friend,
We've known each other since we were nine or ten.
Together we climbed hills and trees,
Learned of love and ABCs,
Skinned our hearts and skinned our knees.
Adieu, Emile, it's hard to die
When all the birds are singing in the sky.
Now that the Spring is in the air
Pretty girls are ev'rywhere.
Think of me and I'll be there.

We had joy we had fun
We had seasons in the sun,
But the hills we used to climb
Were just seasons out of time.
All our lives we had fun.
[We had joy we had fun
We had seasons in the sun,]
But the hills we used to climb
Were just seasons out of time.

Adieu, Papa, please pray for me.
I was the black sheep of the family.
You tried to teach me right from wrong.
Too much wine and too much song,
I wonder how I got along.
Adieu, Papa, it's hard to die
When all the birds are singing in the sky.
Now that the Spring is in the air
Little children ev'rywhere.
Think of me and I'll be there.

We had joy we had fun
We had seasons in the sun,
But the hills we used to climb

Were just seasons out of time.
All our lives we had fun.
[We had joy we had fun
We had seasons in the sun,]
But the hills we used to climb
Were just seasons out of time.

Adieu, Françoise, my trusted wife,
Without you I'd have had a lonely life.
You cheated lots of times but then,
I forgave you in the end
Though your lover was my friend.

We had joy we had fun
We had seasons in the sun,
But the hills we used to climb
Were just seasons out of time.
All our lives we had fun.
[We had joy we had fun
We had seasons in the sun,]
But the hills we used to climb
Were just seasons out of time.

We had joy we had fun
We had seasons in the sun,
But the hills we used to climb
Were just seasons out of time.
All our lives we had fun.
[We had joy we had fun
We had seasons in the sun,]
But the hills we used to climb
Were just seasons out of time.

We had joy we had fun
We had seasons in the sun,
But the hills we used to climb
Were just seasons out of time.
All our lives we had fun.
[We had joy we had fun
We had seasons in the sun,]
But the hills we used to climb
