[Verse 1]

Dear darling, I don't
Want you to feel sad.
Dear darling, you
Mean so much to me,
Wouldn't you smile,
Let me hear a bit of laugh.
Let me dry your tears,
Let me hear and fade
All of your fears.
You mean so much
To me, my friend.

[Chorus]

Hey girl, don't cry,
Everything's gonna
Be just fine.
Hey girl, don't be sad,
Everything's gonna
Turns so good
From all this bad.
Hey girl, don't cry,
Oh, everything's
Gonna be alright.

[Verse 2]

Do you mind if I hold your
Hand for a little while?
If the world challenges
You, will you let me to fight?
Let me fight for you,
There's nothing I wouldn't
Do to get you through
Of the misery this world
Tries to get you into.

[Chorus]

Hey girl, don't cry,
Everything's gonna
Be just fine.
Hey girl, don't be sad,
Everything's gonna

Turns so good
From all this bad.
Hey girl, don't cry,
Oh, everything's
Gonna be alright.

[Ending]
Now that we are here,
I hope I've made it clear;
I will always be there, I
Will always stay near...
To you, my friend.
