Memories of You
The Four Coins/Frank Sinatra
Writer(s): Razaf/Blake

Waking skies - at sunrise
Every sunset too
Seems to be - bringing me
Memories of you

Here and there - every where
Scenes that we once knew
And they all - just recall
Memories of you

(Oh) How I wish I could forget those, (those) happy
yesteryears
That have left a rosary of tears

Your face beams - in my dreams
(In) Spite of all (that) I do
(And) Everything - seems to bring
Memories of you
