I thought you didn't love me
I thought you didn't care
I thought you didn't want me
? Here
Now I'm happy
Ooooh, I'm happy
Oooh, I'm happy
'Cause my baby wants me, she needs me
She really tries to please me

Saw her at the hop
?In' with someone new
I really thought for sure
That our love affair was through

Now I'm happy
Oooh, ooh, I'm happy
Oooh, ooh, I'm happy
'Cause my baby wants me, she needs me
She really tries to please me

Saw her at the hop
Boppin' with someone new
I really thought for sure
That our love affair was through

Now I'm happy
Oooh, ooh, I'm happy
Oooh, ooh, I'm happy
'Cause my baby wants me, she needs me
She really tries to please me

I finally popped the question
And asked her to be mine
She said that she'll go steady
And love me all the time

Now I'm happy
Oooh, ooh, I'm happy
Oooh, ooh, I'm happy
'Cause my baby she wants me, she needs me
She really tries to please me

Ooh, ooh, I'm happy
'Cause my baby she wants me, she needs me
She really tries to please me
