Baby it's not okay
You're breaking my heart
Since you walked away
I've been losing my mind

You have found a way
To make things seem all right
Partying every day
Like it's Saturday night

Mis sueños se apagan sin tu calor
Calienta mis noches
Ven dame amor

CHORUS:

Baila
Your body takes me higher
I wanna play with fire
My goddess of desire
Baila
Tu cuerpo tiene magia
Tu fuego me contagia
Mi diosa apasionada

I'm looking for the light
Through the pouring rain
Just give me a sign
'Cause I'm blind in this game

Forgive me one more time
I'll take all the blame
Can't you see I'm crying
True love feels no shame

Mis sueños se apagan sin tu calor
Calienta mis noches
Ven dame amor

CHORUS

Baila mi amor baila, baila mi amor baila...

Baila mi amor baila, baila mi amor baila...
Baila mi amor baila, baila mi amor baila...
Baila mi amor baila, baila mi amor baila...

CHORUS
