I guess it was close to midnight
We gathered around the fire
When out of the shadows walking in the sand
I saw her
She looked at me with those lips
She talked to me with those eyes
And just when I knew I'd never be the same
I lost her
One, she's here, but two she's not
Just like a thief in the night she's in and out, so not it's
three
You're out; Down for the count
Oh no, no, no
Chorus
Someone help me!
Has anybody seen my baby?
I thought that we would dance forever
But then she disappeared into the night
So come on, turn around
Can't you see I
