Oye, mi amor estoy aqui  
Take a chance and come with me  
Let it go set it free  
No tengas miedo de sentir

Entregate  
Y desnudate en mis besos  
Entregate  
Esta noche no hay secretos

Girl tonight te amare  
I'll give up everything mi amor  
Corazon, amare  
De tu latir, yo vivire

All my love, te dare  
You'll be coming back for more  
Open up, let me in  
'Cause tonight, yo te amare

Quiero beber De tu pasion  
Let the rhythm take control  
So, come in I wanna know  
Si estas caliente como yo

Entregate  
Y desnudate en mis besos  
Entregate  
Esta noche no hay secretos

Girl tonight te amare  
I'll give up everything mi amor  
Corazon, amare  
De tu latir, yo vivire

All my love, te dare  
You'll be coming back for more  
Open up, let me in  
'Cause tonight, yo te amare

Girl tonight te amare  
I'll give up everything mi amor

Corazon, amare  
De tu latir, yo vivire

All my love, te dare  
You'll be coming back for more  
Open up, let me in  
'Cause tonight, yo te amare

Girl tonight te amare  
I'll give up everything mi amor  
Corazon, amare  
De tu latir, yo vivire

All my love, te dare  
You'll be coming back for more  
Open up, let me in  
'Cause tonight, yo te amare

Girl tonight te amare  
I'll give up everything mi amor  
Corazon, amare  
De tu latir, yo vivire

All my love, te dare  
You'll be coming back for more  
Open up, let me in  
'Cause tonight, yo te amare

Girl tonight te amare  
I'll give up everything mi amor  
Corazon, amare  
De tu latir, yo vivire

All my love, te dare  
You'll be coming back for more  
Open up, let me in  
'Cause tonight, yo te amare

Girl tonight te amare
