A house with love in it
Is rich indeed
Although there are
A thousand things
That house may need

The carpet may be old
The room so plain and bare
And yet, it's beautiful somehow
When love is living there

A house with love in it
Just seems to bloom
As though the month of May
Were filling every room

So, darling, through the years
With all my heart, I'll pray
A house with love in it
Is where we'll stay

A house with love in it
Just seems to bloom
As though the month of May
Were filling every room

So, darling, through the years
With all my heart, I'll pray
A house with love in it
Is where we'll stay
