[CHORUS]

I can tell electric stories  
Electric stories that will  
Surely blow your mind  
People find that I can tell  
Electric stories very well

Stories of love  
Stories of love

I knew a man  
He had a girl who loved him  
More than he could stand  
I don't know why it is  
A man prefers to love a  
Girl who isn't his

You know it's true  
But listen to me, girls  
I'll tell you what to do

Honest and all  
To keep your man  
You drive hm up the wall

[Repeat CHORUS]

Stories of love  
Stories of love

Now this here girl  
The one whose man left her  
To look around the world  
She heard my story  
Took my advice and and  
Her love affairs were fine

Then came the day  
The man she loved returned  
To take her breath away  
She made him cry

She made him beg her  
Then she said goodbye

I can tell electric stories  
Electric stories that will  
Surely blow your mind  
I can tell electric stories  
Electric stories that will  
Surely blow your mind  
I can tell electric stories  
Electric stories that will  
Surely blow your mind
