"Soon"

Oh, soon
Oh, I'll be home again
Soon, hey, darling
Wait 'til then

Soon, soon
I'll make it worthwhile
Don't cry, try to get by

Soon, we'll watch
The sun go down
There will be a
Thousand stars around

(Soon, soon, soon)
Oh, just imagine
Me and you, what we can do
Soon, so soon

Didn't we both make a vow
Darling, don't break it now
It's much too soon

I'll take you by the hand
Soon, you'll wear
My wedding band
Soon, soon, soon

No tear stained pillows
For you, darling
I'll be home soon

Darling, I'll be home soon
Wait and see
Darling, I'll be home soon
