Watch the flowers grow
Watch 'em grow
Watch the flowers grow
Watch 'em grow...

Watch the flowers grow
Did you ever see a flower grow
If you did then you
Would surely know

Love is like the flowers
Takes a lot of hours
If you really want to know
Watch the flowers grow

Listen to my thoughts
And take a ride
I shall give you all
You've been denied

First, you gotta slow down
Listen to my sweet sound
If you really want to know
Watch the flowers grow

Over the mountain
There's a sweet meadow
A breeze is blowing
So take my hand and we can
Watch the flowers grow

Let me take you
Where the flowers grow
Let me be the one
Who told you so

I'll love you forever
I will leave you never
Baby, let's go
Watch the flowers grow

Oooh, aaah...

Watch the flowers grow

Watch 'em grow

Watch the flowers grow

Watch 'em grow...
