Who needs you to
Drive me out of my mind
Who needs you
I'd like to know

Who needs you to give me
Chills when I'm well
How fast can a
Helpless heart go

I know, dear, I love
You more than a lot
But, oh, what I've
Got to go through

And so, dear, I guess
The answer is simply
Who needs you, I do

Each time we kiss goodnight
I find that I get so excited
I can't sleep all night
I've lost my appetite
No appetite, no sleep at night

Who needs you
I'd like to know

How fast can a
Helpless heart go

I know, dear, I love
You more than a lot
But, oh, what I've
Got to go through

And so, dear, I guess
The answer is simply
Who needs you
Who needs you, I do
