Tonight, you're mine completely
You give your love so sweetly
Tonight (tonight) the light of love
Is in your eyes (my darling)
But will you love me tomorrow

Is this a lasting treasure
Or just a moments pleasure
Can I believe (believe) the magic
Of your sighs (my darling)
Will you still love me tomorrow

Tonight, with words unspoken
You say that I'm the only one
But will my heart be broken
When the night meets the morning sun
(When the night meets the morning sun)

I'd like to know that your love
Is love I can be sure of
(Is just a love I'm sure of)

So tell (so tell) me now
And I won't ask again (my darling)
Will you still love me
Will you still love me
Will you still love me tomorrow

So tell me now
And I won't ask again (my darling)
Will you still love me tomorrow
Will you still love me tomorrow
Will you still love me tomorrow...
