

The Four Pennies "Juliet"

There was a love, I knew before
She broke my heart, left me unsure
Juliet, dont forget
The promise you made, I need never be afraid
Things you do, reminiscent of you

Juliet, when we, when we met
You gave me, sweet memories
Things you do reminiscent of you

There was a love, I knew before
She broke my heart, left me unsure
Juliet, dont you, oh dont you let
My love go astray, in this way
Julie, Julie, Julie, oh Julie
Oh my Juliet, Julie, oh Julie,
Oh my Juliet...
