Goin loco, down in acapulco
If you stay too long
Yes, you'll be goin loco
Down in acapulco
The magic down there is so strong
Feel the pressure
Your back's against the wall
Love is gaining on you
You're just about to fall
If you're afraid to love
Afraid to take a chance
You'd better hide your feelings
Get out while you can
Cause you'll be going loco
Down in acapulco
If you stay too long
Yes, you'll be goin loco
Down in acapulco
The magic down there is so strong
You will be pulling out your hair
Down and in despair
With a whole lot of loving
On your way to nowhere
Because the bright lights will come to an end
When you realise--
what a fool you've been
You'll be haunted by her face
Missing her warm embrace
Memories of loving her, holding her tight, every night;
Was that the best part of your life?
Hearing her voice, softt and low,
Begging you to please, please don't go
Don't go now
Don't go--
Don't go-
You can hear voices bleeding through those warm
methon nights
Memories are lost and found
Leaving broken hearts
All over town, all over town
Cause you'll be going loco

Down in acapulco
If you stay to long
Yes, you'll be goin loco
Down in acapulco
The magic down there is so strong
Goin loco down in acapulco
If you stay to long
Yes, you'll be goin loco
Down in acapulco
The magic down there is so strong
Goin loco
Down in acapulco
