### "Shake Me, Wake Me"

All through this long and sleepless night  
I hear my neighbors talking (She don't love him)  
Saying that out of my life  
Into another's arms you'll soon be walking

Chorus:  
Somebody shake me, wake me when it's over  
Somebody tell me that I'm dreamin'  
And wake me when its over

They say our love ain't what it used to be  
And everyone knows but me  
I close my ears not wanting to hear  
But the words are loud and clear  
Through these walls so thin  
I hear my neighbors when  
They say "She don't love him, she don't love him"  
They say my heart's in danger  
'Cause you're leaving me  
For the love of a stranger

Chorus:  
Somebody shake me, wake me somebody when it's  
over  
Somebody tell me that I'm dreamin'  
And wake me when its over

Girl you're what my heart desires  
My whole world you inspire  
I can't bear to be losing you  
Cause I've loved you my whole life through

(music interlude)

Restlessly I pace the floor  
Listening to my neighbor's criticize  
What a fool I am not to realize  
You don't want me by your side

As the tears stream down my face  
I can't believe I've been replaced

If I've ever ever dreamed before  
Somebody tell me I'm dreaming now

I said shake me, wake me somebody when its over  
Somebody tell me that I'm dreaming  
And wake me when its over  
C'mon wake me, shake me somebody
