Walk with me, Take my hand  
Ooh Ooh Ooh  
Ooh Ooh Ooh  
Still waters, Still Waters  
Ahhh Ahhh Ahhh

Never you mind if I,  
Don't tell strangers passing by  
If I don't brag, If I don't brag or boast  
Click my glass and say a toast  
About my love for you  
How it runs so deep and true  
And yet it's so  
'Cause don't you know

Still waters run deep  
Still waters run deep  
Still waters run deep  
Still waters run deep

Ooh Ooh Ooh  
Ooh Ooh Ooh  
Walk with me, Take my hand  
Still waters, Still waters

Walk with me, Take my hand  
Whoa Whoa Whoa now  
Still waters run deep  
Hey, Hey, Hey, Hey  
Whoa Whoa Whoa now  
Still waters run deep
