"Big Papa"

A place in my heart and one hundred in my head
"I love you, Big Papa!" That's what she said
A place in my heart and one hundred in my mind
You're the only one for me, so don't leave me behind

My heart might wander to a new kind of lover
Just for being so unsatisfied
But to set the record straight, well I could never love
another
I love you and you know it, 'cause you're not like all the
others

Don't you ever go
Don't you ever go
Don't you ever go
Too far away

Don't you ever go
Don't you ever go
Don't you ever go
Too far away

A place in my heart and one hundred in my head
Without you, baby, I'd be dead
A place in my heart and one hundred in my mind
You're the only one for me, so don't leave me behind

My heart might wander to a new kind of lover
Just for being so unsatisfied
But to set the record straight, well I could never love
another
I love you and you know it, 'cause you're not like all the
others

Don't you ever go
Don't you ever go
Don't you ever go
Too far away

Don't you ever go
Don't you ever go
Don't you ever go

Too far away

I might say that I hate you when I have a bad day
But no matter how I act, just believe me when I say
I might say that I hate you when I have a bad day
But no matter how I act, just believe me when I say

Don't you ever go
Don't you ever go
Don't you ever go
Too far away

Don't you ever go
Don't you ever go
Don't you ever go, no, no
Too far
