She's a little fast car, she can hurt you so
I got tired of her speed, so I let her go
I tried to tell her, I tried to explain
But she couldn't understand why I was taking the train

Like a fast car into a tree
I wrecked that girl 'cause she loved me
I'm sorry, I couldn't take it
Her little heart, I had to break it
Like a fast car into a tree
I wrecked that girl 'cause she loved me
I'm sorry I don't need it
It's been over, you better believe it

She cried and cried, but I wouldn't change my mind
Because it's not about your heart, babe, it's all about
mine
She wanted me back, I tried to explain
Cried and cried, I couldn't feel the pain

Like a fast car into a tree
I wrecked that girl 'cause she loved me
I'm sorry, I couldn't take it
Her little heart, I had to break it
Like a fast car into a tree
I wrecked that girl 'cause she loved me
I'm sorry I don't need it
It's been over, you better believe it

Keys plus ignition equals her
and she's wishing that she had never met me.
Because my heart is so small, her eyes are so big
I left that tank empty

Like a fast car into a tree
I wrecked that girl 'cause she loved me
[x4]

I took her heart because I could
Ripped it out and it felt so good
Fast girl!
