Just some things you can't ignore
Stop to think and think some more
When I'm stuck I wish for luck
Because I've only got this band

It's a Frantic night out
My best friends
I'd love to stay forever
Who knows when it's gonna end?

I miss those late, late nights in the summer
To all our friends with us, we love you!
I miss those late, late nights in the summer
When you move, you make us, you make us
Yeah!

Where is the summer?
I miss all of my friends hanging out together
Staying up all night
Those were the best times of my life.

And when the girls come around,
Don't you hold me down.
Everything's alright.

I miss those late, late nights in the summer
To all our friends with us, we love you!
I miss those late, late nights in the summer
When you move, you make us, you make us
Yeah!

[Spoken:]

"So, man, what do you want to do tonight?"

"I don't know, there's nothing to do."

"There's never anything to do, man."

"I'm so bored."

"I guess we could just go scope, you know..."

Every day's a party in the summer, c'mon!

I miss those late, late nights in the summer
To all our friends with us, we love you!

I miss those late, late nights in the summer
When you move, you make us, you make us
Yeah!

You make us, you make us
Yeah!
You make us, you make us
Yeah!
