How have I come to this  
How did I slip and fall  
How did I throw half a lifetime away  
Without any thought at all

This should've been my time  
It's over, it never began  
Facing a world, for once not on my side  
I simply turned and ran

I try to blame it on fortune  
Some kind of twist in my fate  
But I know the truth and it haunts me  
I learned it a little too late

I know the truth and it mocks me  
I know the truth and it shocks me  
I learned it a little too late

People have faith in me  
I think I once did too  
I promise whoever has a hold on our lives  
I'll see the bad times through

This should have been my time  
It's over, it never began  
Facing a world, for once not on my side  
I simply turned and ran

I try to blame it on fortune  
Some kind of shift in the stars  
But I know the truth and it haunts me  
It's flown just a little too far

I know the truth and it mocks me  
I know the truth and it shocks me  
It's flown just a little too far

I try to blame it on fortune  
Some kind of twist in my fate  
But I know the truth and it haunts me

I learned it a little too late
