La la la la la la.....

Well she said I know but I just can't tell  
Everything you've just been saying  
Lucy was there aswell in the dark  
When kids in the band were playing

No-one can hear a word I tell  
What the girl was singing  
See she mustav been 16 or 18  
Im just past caring

She was into the Stones when  
I was into the Roses  
She was breaking my bones when  
I was busting their noses  
She would tell me a secret  
I would lose it the next day  
Young love pleases you easy  
Makes you sick in a bad way

And all the while the girls sang  
La la la la and she sang  
Kickings for my sweetheart  
Bruises that I just don't miss

And she said "I can't love you anymore than this!"

La la la la la la la.....  
La la la la la la la.....

Aww she said she said no no no no  
Then again yes why don't you kill me  
I said wow you messed up right there  
Sweetheart you know that don't thrill me  
Said I wouldav been in there if only I'd had been a little  
bit nicer  
I was dead by Sunday half dead scared just trying to  
please her

She getting the pills when  
I was into her best friend

She was chasing her thrills  
And living out in the West and  
She was pretty in braces  
I lived under her window  
She said take me to London  
Tell me something I don't know

And all the while the girls sang  
La la la la she sang  
Kickings for my sweetheart  
Bruises that I just don't miss

And she said "I can't love you anymore than this!"

La la la la la.....  
La la la la la.....  
La la la la la.....

She was into the Stones when  
I was into the Roses  
She was breaking my bones when  
I was busting their noses  
She would tell me a secret  
I would lose it the next day  
Young love pleases you easy  
Makes you sick in a bad way  
And all the while the girls sang  
La la la la she sang  
Kickings for my sweetheart  
Bruises that I just don't miss

And she said I don't like you  
You can't stand me  
I can't love you anymore than this
