Well I met her in a bar, the men with big guitars were a  
playin  
And I listened with my ears but I couldn't hear what she  
was sayin  
And I guess she talked with her mind  
But didn't want to seem to unkind so I just laughed  
And kept my eyes peeled to the door.....  
Wondering what I was there for

[Chorus:]

But it's alright, and it's alright  
And it's alright, and it's alright  
I got my nuts from a hippy in a camper van on Saturday  
night

Well I asked if she believed in Adam and Eve the fable  
And I guess she would've given me an answer if only  
she was able  
And she danced like a medicine man  
Drew a crazy picture on my hand and told me  
She wanted to change my point of view  
Asked me where I was going to

[Chorus]

Well she whispered in my ear we got to get us out of  
Here to the country  
I asked her for a ride she took me aside she said "try  
me"  
I thought I'm gonna wake pretty soon  
In the middle of a Sunday afternoon just dreamin  
And it was warm in the back of her van  
Where she made me a real man

She made me Cry, she made me cry.  
Oh she made me cry, why she make me cry?

But it's alright, and it's alright  
And it's alright, and it's alright  
I got ma nuts from a hippy in a camper van on saturday  
night!  
I got ma nuts from a hippy in a camper van on  
saturday night!

I got ma nuts from a hippy in a camper van on saturday  
night!  
I got ma nuts from a hippy in a camper van on saturday  
night!
