Well look out Sunshine here they go
You've got yesterday's heroes in last night's clothes
You're a game old boy judging by the way you walk
Well there's no use telling me to leave
I've seen a half a dozen ghosts but I don't believe
I'm a cynical cunt and I'm much too lazy to change
And tell my friends I'll be around
Getting nowhere sleeping somewhere
With a girl I dreamed oh yeah
And sing that old song how does it go?
Look out Sunshine here's the punch line
No one gets you any more

Well look out Sunshine here they come
But they only play for money you better not run
It's the sell out show that no one wants to go to, yeah
Well there's none so blind as them that don't agree
They steal the money from your pockets almost
viciously
You're a sane old boy and you're much too crazy to
change

And tell my friends I'll be around
Getting nowhere sleeping somewhere
With a girl I dreamed oh yeah
And sing that old song how does it go?
Look out Sunshine here's the punch line
No one gets you any more

And what do you mean you were born to love this scene
And they would string you up gladly
If they knew just how lazy you'd been

Tell my friends I'll be around

And tell my friends I'll be around
Getting nowhere sleeping somewhere
With a girl I dreamed oh yeah
And sing that old song how does it go?
Look out Sunshine here's the punch line
No one gets you any, no one needs you any
No one gets you any more
