Well it's a big big city and it's always the same
Can never be too pretty tell me you your name
Is it out of line if I was to be bold and say "Would you
be mine"?

Because I may be a beggar and you maybe the queen
And though I may be on a downer I'm still ready to
dream
Though it's 3 o'clock the time is just the time it takes for
you to talk

So if you're lonely why'd you say you're not lonely
Oh you're a silly girl, I know I heard it's so
It's just like you to come and go
And know me, no you don't even know me
You're so sweet to try, oh my, you caught my eye
A girl like you's just irresistible

Well it's a big big city and the lights are all out
But it's much as I can do you know to figure you out
And I must confess, my hearts all broken pieces
And my heads a mess
And it's 4 in the morning, and I'm walking alone
Beside the ghost of every drinker who has ever done
wrong
And it's you, woo hoo
That's got me going crazy for the things you do

So if you're crazy I don't care you amaze me
But you're a stupid girl, oh me, oh my, you talk
I die, you smile, you laugh, I cry
And only, a girl like you could be lonely
And it's a crying shame, if you would think the same
A boy like me's just irresistible

So if you're lonely, why'd you say you're not lonely
Oh you're a silly girl, I know I heard it's so
It's just like you to come and go
And know me, no you don't even know me
You're so sweet to try oh my, you caught my eye
A girl like you's just irresistible
