The how I can't recall  
But im staring at  
What once was the wall  
Separating east and west  
Now they meet admidst  
The broad daylight

So this is where you are  
And this is where I am  
Somewhere between  
Unsure and a hundred

Its hard I must confess  
Im banking on the rest to clear away  
Cause we have spoken everything  
Everything short of I love you

You right where you are  
From right where I am  
Somewhere between  
Unsure and a hundred

And who's to say it's wrong  
And who's to say that it's not right  
Where we should be for now

So this is where you are  
And this is where I am  
So this is where you are  
And this is where ive been  
Somewhere between  
Unsure and a hundred
