"It's For You"

When the winds come and they blow
When the rains turn to sleet and snow
When the waters rage at the sea
Bitter cold but you warm me
Only you, only you

It's for you, I walk through a storm
It's for you, I lay me down
It's for you, I walk through a storm
It's for you, I lay me down

There is nothing that I wouldn't do for you
When you call I'll be right there
I'll turn my world right around for you
Don't you see? Don't you see I'm here?
For you, for you...

Only for you, I walk through a storm
Only for you, I lay me down
Only for you, I walk through a storm
Only for you, I lay...
I lay...
Only for you....

Only for you, I walk through a storm
Only for you, I lay me down
Only for you, I walk through a storm
Only for you, I lay me down
