"Kiss Me"

Kiss me
Out of the bearded barley
Nightly
Beside the green green grass
Swing swing
Swing the spinning step
I wear those shoes and
You will wear that dress.

Refrain

Ohhh... kiss me
Beneath the milky twilight
Lead me
Out on the moonlit floor,
Lift your open hand and
Strike up the band and
Make the fireflies dance
Silver moon sparkling.
So, kiss me.

Kiss me
Down by the broken treehouse
Swing swing
Upon it's hanging tire,
Bring bring
Bring your flowerhat
We'll take the trail marked on your
Father's map

Refrain

Ohhh... kiss me
Beneath the milky twilight
Lead me
Out on the moonlit floor,
Lift your open hand and
Strike up the band and
Make the fireflies dance
Silver moon sparkling.
So, kiss me.

So, kiss me.
Kiss me
Beneath the milky twilight
Lead me
Out on the moonlit floor,
Lift your open hand and
Strike up the band and
Make the fireflies dance
Silver moon sparkling.
Ohh...

Kiss me
Ohhh... beneath the milky twilight
Lead me
Out on the moonlit floor,
Lift your open hand and
Strike up the band and
Make the fireflies dance
Silver moon sparkling.
So, kiss me.
So, kiss me.
