There's some things we don't talk about
Rather do without
And just hold the smile
Falling in and out of love
Ashamed and proud of
Together all the while

You can never say never
Why we don't know when
Time and time again
Younger now than we were before

Don't let me go
Don't let me go
Don't let me go
[X2]

Picture you're the queen of everything
As far as the eye can see
Under your command
I will be your guardian
When all is crumbling
Steady your hand

You can never say never
Why we don't know when
Time, time and time again
Younger now then we were before

Don't let me go
Don't let me go
Don't let me go
[X2]

We're pulling apart and coming together again and
again
We're growing apart but we pull it together, pull it
together, together again

Don't let me go
Don't let me go
Don't let me go

[X4]
