There's a sentence on my father
On my sister, on my brother
There's a terror in the corner
That will make your blood run cold

And it goes back to my blood line
When we tried to walk away
But I want you as my lover
You are where I want to stay

And I don't know what it is, what it is, what it is about
you
What it is, what it is but ohhh
The way you movin'ohh
You turn me on, I won't touch you till we're burning
Ohhhh you turn me on

See you're rising and you're falling
I will try to look away
I'm frozen in the darkness but we're burning cabaret

And I don't know what it is, what it is, what it is about
you
What it is, what it is but ohhh
The way you movin'ohhhh
You turn me on
I won't touch you till we're burning, ohhhh
You turn me on, come & turn me on

Turning me on,
You're turning me on, yeahhh

Ahhhh

The way you movin'
You turn me on
I won't touch you till we're burning, ohhhh
You turn me on, come & turn me on

I want to feel, I want to feel you love
I want to feel ohhh I said I want to feel

The way you movin'
You turn me on
You turn me on
