

The Freeze **"Nazi Fun"**

When aggression and stupidity
Start working hand in hand
And other groups are ridiculed
For not being a "hardcore" band
They call it hardcore justice
But it's their way to gain control
We don't need police on the dance floor

So you messed up a jock
And he won't be back again
But it was ten on one
That's nazi fun

The days seem gone when people cared
And punks tried to unite
Blinded by the punch-trash
That primal urge to fight
What are you really changing
Except the structure of people's bones
You'll die just the same if they drop the bomb

Violence leads to violence
It was ten to one
That's nazi fun
