Can you see what you've done?
What a mess you've made.
Your carelessness and disregard for everyone you
love,
And those who loved you back.
We have to cope with constant pressure.

Will you be here another day?
We want you back.
Another day passed is another day lost.
Get back on track.

Don't let yourself go, don't ever lose sight of us.
Because if you do, it will be the end of everything we
thought was real.

You walk a thin line.
You walk the tightest rope.
Suspended high above a sea of empty hopes.

We will be waiting on the other side.
It's up to you now, to make everything all right.
