Hey, here she comes now
Oh, you know her
Here she comes now
Oh, you know her

Would you look at that hair, yeah, you know her
Check out those shoes
She looks like she stepped out of
The middle of somebody's blues

She looks like a Sunday comics
She thinks she's Brenda Starr
Her nose job is real atomic
All she needs is an old knife scar

Yeah, she's so dull
Come on rip her to shreds
She's so dull
Come on rip her to shreds

Oh, you know her, 'Miss Groupie Supreme'
Yeah, you know her, 'Vera Vogue' on parade
Red eye shadow, green mascara
Uhh, she's too much, for me personally

She looks like she don't know better
A case of partial extreme
Dressed in a Robert Hall sweater
Acting like a soap opera queen

Yeah, she's so dull
Come on rip her to shreds
She's so dull
Come on rip her to shreds

She looks like she don't know better

She got the nerve to tell me she's not 'On it'
But her expression is too serene
Yeah, she looks like she washes with Comet
Always looking to create a scene

Yeah, she's so dull
Come on rip her to shreds
She's so dull
Come on rip her to shreds

She's so dull
Rip her to shreds
She's so dull
Rip her to shreds

Oh, no she didn't
Oh, no she didn't
She did

Oh, you know her, 'Miss Groupie Supreme'
Yeah, you know her, 'Vera Vogue' on parade
Yeah, you know her, with the fish eating grin
She's so dull

(She's so dull)
Yeah, she got the nerve to tell me
(She's so dull)
Huh, she is so dull

(She's so dull)
Yeah, there she goes now
(She's so dull)
She making out with King Kong

(She's so dull)
She can take her boat to Hong Kong
(She's so dull)
Well, bye bye sugar

(She's so dull)
And not a minute too soon, baby girl, bye bye now
(She's so dull)
We never liked your kind around here

(She's so dull)
She is so dull
(She's so dull)
She is so dull

How 'bout a little spice in your life
You know, come on
(She is so dull)
Little spice to spice you up
[Inaudible]
She's so dull
