I love you for so many reasons  
Which means I love you for all seasons

First of all, I love you with the freshness of a spring day  
Then I love you with hot passions like the summer sun  
When Junes here to stay  
I don't know how to explain my loves seasonal change  
It seems never the same - all I know is

I love you for so many reasons  
Which means I love you for all seasons

I love you with the gentleness of a falling leaf on an  
autumn day  
But most of all, I love you with the briskness of a winter  
When the snows come out to stay  
I don't know how to explain my loves seasonal change  
It seems never the same - all I know is

I love you for so many reasons  
Which means I love you for all seasons

I love you for so many reasons  
Which means I love you for all seasons
