Are you really happy?  
I'm happy as I've ever been  
I'm not happy, I'm not happy at all really  
Oh, I'm very sad, I'm not happy  
I'm so fat, I don't feel very pretty, I really don't

You know a lot about drugs  
Oh, I live for drugs, it's great  
Just lately, I freaked out on acid  
I freaked out very very badly

No, I don't think I'll ever take acid again  
Before I thought  
That was the best thing in the world  
I never want it again

Never acid again  
Never acid again  
Never acid again  
Acid again  
Never acid again  
Acid again

Never acid again  
Acid again  
Never acid again  
Acid again  
Never acid again

I did that  
I did that

Never acid again  
(I did that)  
Acid again

Never acid again  
Acid again  
Never acid again  
Acid again  
Never acid again

Never acid again  
Acid again  
Acid again  
Never acid again  
Never acid again

I did that

Never acid again  
Acid again  
Never acid again

I did that  
I did that  
I did that

Never acid again  
Acid again  
Acid again  
Acid again

Acid again  
Acid again  
Acid again  
Acid again

Acid again  
Acid again  
Acid again  
Never acid again
