This is cancer
This is cancer
A warning sign

I only wanted to touch you
I thought you wanted to be here
And I don't know your name
But I could meet you on Thursday or Friday

Nobody, of course, was listening

This is cancer
A warning sign
This is cancer
A warning sign, cancer

Society is a drag, so why not drop it?

This is cancer
This is cancer
A warning sign

Society is a drag, so why not drop it?

This is cancer
This is cancer
This is cancer
A warning sign
This is cancer
This is cancer
