Gimme a collection plate for Ma\$e fans
Gimme some glasses so I can watch Mason dance
Who movin? You singing?

Yayo: And I'd like to thank game cuz hes mr potato
head of the year, 'n' you kn.. a put together gangsta!

Rolling through Connecticut
In a stolen mini-van
Stop at his house
I dont see many men
Matter of fact I dont see any men
One plain clothed cop call him Lieutenant Dan
Officer why ya man tryna beat up my fans?
Makin me 5 times platinum wasnt part of his plan
Same shit same snitch
You know how it goes
I smell a rat even if you take off my nose
And i bet every quarter in your piggy bank
Lloyd told N.Y.P.D. who got 50 shanked
Next time when the lights go out
I'm pulling a desert eagle when the knives come out
Watch that man get ta tussling and the mice run out
Don't gamble with ya life when my dice roll out

I made you
I made you
I made you
I made you
I made you
Mr Potato Head I Made you!
Yes I Made you
Mr Potato Head I Made you!
I Made you!
I Made You!
Mr Potato Head I Made you!

Theres no batteries in my back
I show you Niggas how I move (Move Echo)

50 aint gangsta
