Watch your back because the next man is coming
And you don't know if the next man is dumbin
Survival of the fittest waht it is
I got yo back, you got my back and that's the biz
Blood is rushing through my veins
I got the power channel the energy
And with my strength I will devour
Sickening thoughts are running through my head
That's when I realize I'm glad I'm not dead
A second a glimpse of my father I see
And in a movement he beckons to me
And in a moment the memories are all that remain
And all the wounds are reopening again

We're blood brothers
We're blood brothers
We're blood brothers
We're blood brothers

And as you look all around at the world in dismay
What do you see, do you think we have learned
Not if you're taking a look at
It's in our nature to kill, kill, kill
It was a dream and then hit me, reality struck
And now my life is all shifty and it all moves fast
Clost to buck 50 and we all stand strong
In respect to the family in times of our insanity
And through the words of profanity
I describe our dysfunctional family
Blood Brothers keep it eally to the end
Deeper than the thoughts tha you think, not a trend
