[Verse One]

Who's gonna stop me when I'm dribbel in the rock  
Even coaches tell their big man, to move out the  
middle when  
I'm cuttin through the key, blow pass you and proof  
your D.  
Your in the zone I'll shoot the three  
You ain't man to man I'll shake the mascot of your  
jersey  
And leave you in the stands with fans  
All the players on the bench like: "He aint dunkin.."  
But when the kid flies through the lane the D. ain't  
jumpin  
He can't stop me, it's too eazy, cross over of the glass  
windmill for sheezy  
If he double team I'll jam on both of ya  
Cluck your back, make you and your man a poster  
And I stay in your coach-up  
Even he knows I'm gonna hit both of the freak dose  
And I'm on D.  
You can find me around the boards  
You know how we play E.A. 2004

[Chorus] (Scratches)

Who's gonna stop me when I'm dribble in the rock  
The Game in a frap rag  
He can't stop me, it's too easy  
The Game in a frap...frap rag  
Who's gonna stop me when I'm dribble in the rock  
The Game in a frap...frap rag  
You can't....can't stop me  
Cluck your back, make you and your man a poster

[Verse Two]

It don't matter if it's practise or franchise mode  
I'll get three, standing backwards with my Dumars  
clothes  
We can be on a home court, or out on the road  
I'm outta control, tomahawk  
Get outta that hoe  
I'm realer than most players, when I'm in the post

player  
It don't matter, sky hook or ?? the roll-lay-up  
When I'm puttin the J. up  
You'll better have a hand on my chest  
Or the soft-leather is going straight through the net  
It ain't about ofence, I'll play D. in a post  
So quick your pointguard'll think he's seeing a ghost  
With the ball in the third row everytime I'll block-shot  
There's gonna be a turnover, they ain't watchin the  
shot-clock  
Throw the alley-hoop I'ma dunk with a lean in and  
Steal the inbound pass, the rock can get my team in it  
And I don't care about stats aslong as my team's  
winning  
And we're celebrateing in the locker room when we  
finish

[Chorus]
